MEMORANDUM FOR: []

VIA: Admiral Harvey

SUBJECT: Debriefing of Military Attaches and Foreign Service Personnel

1. Reference your note to Admiral Harvey (copy attached), DIA publishes a Defense Attache Roster on a quarterly basis, the most recent copy of which is attached.

2. DIA's program for debriefing military attaches has been considerably cut back. Whereas at one time all military attaches were returned to Washington for debriefings prior to going to their next post, now in general only those who are scheduled for assignment in the Washington area or who are due to retire in the Washington area are brought in for debriefings. Others proceed directly to their next post. The exception is military attaches assigned to bloc countries who are brought to Washington both at mid-tour and at the end of their tour.

3. DIA's Directorate for Attache Affairs alerts the Liaison and Control Office of IRS/DDI whenever there is a military attache due back. [] chief of this office and [] deputy chief.

4. According to [] Liaison and Control, her office handles both State and DIA liaison and has some contacts with the military services. They alert interested offices when ambassadors, senior Foreign Service people, Defense attaches, etc are due in town, and arrange for meetings. They have not alerted the IC Staff on a regular basis in the past but would be happy to do so if we express such an interest. [Note: [] mentioned that Admiral Mayo, Defense and Naval Attache, Moscow, is due in soon on a mid-tour debriefing, but scheduling of appointments has not yet begun as the timing is still uncertain.]

5. Attached is a memorandum for your signature to Chief, Liaison and Control, which will record IC Staff interest in their service. Admiral Harvey believes the logical point of contact should be PRG and [] agrees.
